THE ALPHA-OMEGA

DEDICATION

MR. GILBERT P. TREMBLAY

It is with the deepest gratitude and admiration that we, the Class of 1964, dedicate "The Alpha Omega" to Mr. Gilbert P. Tremblay.

In the past year, he has guided and directed us in becoming mature and useful citizens of our communities. As our class advisor, he has given unity to our class, teaching us group co-operation and responsibility. As an individual, he has, by example, demonstrated honor and high character-guided posts for our own futures. When we have needed guidance he could be depended upon for wise counsel; when we have needed reprimanding, he was there with the needed stern word; but likewise, when praise was deserved he was the first to give it.

As individuals we owe him very much and as a class, we wish to express our profound and intense appreciation for all that he has imparted to us.

Bonnie,

It has been a distinct pleasure to have you in class, as well as to know you as a person.

*Sincerely,
Gilbert P. Tremblay*

Message

North Middlesex Regional School

Greetings, Seniors,

An air of urgency parades our time. It is present in international relations, in government, in politics, in business, and especially in education. It is a time for action. You are now a vital cog in our society.

It is a time for new ideas, bold adventures, and new directions.

Opportunities abound for you to take part in developing new ideas and charting the course for the future.

For six hours a day our school doors have been open to you to accumulate new knowledge, new insights, new inspirations. You have participated in debates, heard lectures, taken part in panels, had interviews, watched demonstrations and exhibits. With these you have the tools to fashion the future.

Your participation in the future will determine the value of education to you. May your association with colleagues locally, nationally, and internationally bring you inspiration, stimulation, and resourcefulness in directing the destinies of our communities, our states, our national government, and even the world of the future.

You are the citizens of tomorrow.

Sincerely yours,

Mr. John H. Small

Message

North Middlesex Regional

Seniors:

The most important objective of education in our society is the attainment of wisdom; the ability to make wise decisions based upon clear thinking and understanding.

The educated individual is one who is able to choose between good and evil, truth and falsehood, the worthwhile and the worthless. His education will have prepared him to make the many decisions necessary in planning a good life and conducting it properly. In our society the individual must make these decisions for himself if mentally capable. If he is unable to do so and must have his life planned for him, then he is no longer free.

The educated individual must be prepared to take part in shaping the future of our world, making sound decisions in the home, on the job, and at the polls.

As the class of 1964 goes forth from North Middlesex Regional High School, I encourage you to continue your education with the aims I have outlined as goals For Your Future. You will not all achieve these goals, but in striving to reach them you will become better citizens of our country.

Sincerely yours,

Herbert H. Marshall

To the Seniors:

Congratulations! You have had a successful year at North Middlesex Regional School. The associations you have had here are to be partially terminated, although you are always welcome here at your school, as alumni. Your parents and your teachers are now no longer as available for guidance. Your next report card will be a pay check, and a time clock will be available for checking your punctuality and absences. Your fondest desire to be on your own is close at hand. Your future challenges are great, and your responsibilities will be even greater. The world is yours, it's up to you from now on in. Therefore I wish for you the best of health, happiness and prosperity in the years of challenge ahead.

Sincerely yours,

Andrew J. O'Donnell

HENRIQUE B. LARROUDÉ

"No man is born wise or learned."

It has been an honor and a privilege to have had Rico as a member of our senior class. A native of Sao Paulo, Brazil, he was the first American Field Service student to study at North Middlesex Regional High School. Rico's warm and friendly personality has been a wonderful addition to our class. It will take someone of very great character to take his place as the American Field Service student here next year.

Class History

In the fall of 1961, a coalition was formed between the small states of Pepperell and Townsend to create a new and larger state, the United Republic of North Middlesex. During the past three years we have grown to know and appreciate the talents, leadership, and working abilities of our fellow comrades.

In the first year of the Republic, a state-wide convention was called to nominate and elect the heads of state. They were as follows: Prime Minister, Frank Wells; Assistant Prime Minister, Nancy Allard; Head of Secretariat, Barbara Manning; and Chancellor of the Exchequer, Cheryl Moore. To eliminate the tax burden, we held two very successful dances for the support of the state.

A second state-wide convention was called in which Peter Matson was elected Prime Minister; Nancy Allard, Assistant Prime Minister; Carol Boucher, Head of Secretariat; and Cheryl Moore, Chancellor of the Exchequer. To improve diplomatic relations, the Republic was host to the citizens of the neighboring Senior Community of Pep Town at a reception called "Coral Capers." We also entered into a treaty with said community to sponsor a prom in the spring called "Moonlight and Roses." Our diplomatic envoys to the Girls' and Boys' Summit Conferences were Barbara Manning and Jeanne Manceau, and John Annala and Frank Wells.

At the height of success, we entered the third year of our Republic. Peter McClellan was elected Prime Minister; Bonnie Newingham, Assistant Prime Minister; Susan Phillips, Head of Secretariat; and Cheryl Moore, Secretary of the Exchequer. In a history of our state, the *Alpha Omega*, edited by Barbara Manning, we recorded the successes and triumphs of our state, including a record of our journey to Mt. Monadnock to view the neighboring nations; our motto, "Ask not what your country can do for you, but what you can do for your country;" our mascot, the panther; our flower, white rose; and our song, "You'll Never Walk Alone." Our Prime Minister, Peter McClellan, was also elected Ambassador to Student Government Day.

Our state was dissolved with our graduation into the larger nations of society. We go forth eager and ready to meet the challenges of the future.

Class Prophecy

We are now celebrating our 20th class reunion on the moon. Rocket-cab service is provided for us by *Cyril Longton*, pilot, and *Gary Busler* and *Dana Bennett*, navigators. We check in at the Hotel Luna which is located across the street from the Ministry of the *Red Mann*, which operates the telescreen.

After our evening meal, everyone attends the Green Cheese Music Hall. *Jim Mac*, Master of Ceremonies, presents the moon's premier of the "Bozo Show," directed by *Diane Kirin*. We are kept in stitches by "The Nurses," *Joan Weir* and *Joan West*. We have a lovely intermission program of waltzes, conducted by the Johann Strauss of the moon, *Bonnie Newingham*.

The next day, in preparation for the night's activities, *Peter McClellan* goes to *Barry (Wright)*, the Barber. Everyone manages to see *Alvah "Chomps" Reida*, the dentist. *Doris Rutherford* had to be careful not to get a traffic ticket with her taxi service, because the eagle eyes of the *Marshal (Bruce)* were watching for speeding cars. The headline of the newspaper edited by *Barbara Manning* was: "Big Brother, *Curt Hamilton* Overthrows First Woman President, *Cheryl Moore*." Looking through the pages we read *Russell Syrjala's* review on *Donna Wilson's* autobiography *Mill Street*. We also read that *Susan Phillips*, the moon veterinarian, is letting all her classmates board their animals at her hospital free of charge. In the Classified Ads section we find two advertisements: "*Mike and Bob Myers' M and M Rocket Supply Shop* is selling spare rocket parts," and "*Carol Pine and Salme Nuppola* are selling the latest models of Volksrockets." *Carol Boucher* has a column solving other people's problems (for a change). *Donna Martin* appears in the comic strip called "Gigs." We also learned that *Benson (Sally)* and *Bailey's (Cynthia)* Circus is in town. *Judy Koch* has submitted a new recipe for *(Peter) Marr's Bars*. *Sharon Gauthier* and *Ann Kelleher* are selling newspapers at their news stand.

Unfortunately, everyone is not able to attend. *Dale Conley* has gone West, and the *Hamilton* twins have gone their separate ways—*Robin* flew south for the winter, and *Bonnie* lies over the ocean. The sheik, *Mike Marshall*, and his harem of *Donna Dodge*, *Joan Leahy*, *Susan Harju*, *Jeanne Manceau*, *Judy*

Wiljanen, and *Janet Wisnosky*, are also unable to attend because his flying carpet is slower than the modern day rocket. *Joan Danforth* and *George Sullivan* offer the excuse that the rocket industry has overtaken the trucking business and left them bankrupt. *Pete Matson* is out chasing an escaped rocket called the *Oja I*. *Scott Schoppe* is busy directing boys' basketball at the town field. *Frank Wells* is all tied up in red tape. *Bob Ciampa* is selling air-conditioning to the Eskimos. *Alan Leino* couldn't come because of a disastrous wound suffered while trying to make uranium smoke. *Gale Brooks* is still running.

The reunion banquet is held in the Moonglow Room at the Hotel Luna. Our menus are printed by *Bert Woolfrey* and his assistants, *Jose Guzman* and *Bruce Denault*. The managers supply free caviar for everyone. Side dishes of fillet of *Hallet (Joann)* and *Jim Francoeur*-American spaghetti are served. *Paul McGrath* graciously supplies the ice cream, served by *Leslie Mayou* and *Nancy Allard*. Fig *Newtons (Ben)* are also served with the ice cream. Champagne is freely distributed from *Ken Gionet's* package store.

Among our distinguished guests were the Duke of Earle (*Stan Bagley*); the Ambassador of Brazil, *Rico Larroude*; the Lady Thane of *Cotter (Kathy)*; the millionairess, *Pam Russ*, better known as Goldy; the miniature Hercules, *Kim Santerre*; the pool champion of the moon, *Eric Smith*; the retired owner of Jellystone National Park, *John Annala*; His Eminence *Thomas Cardinal Mahony*; and *Carol Ford*, Henry Ford's great-granddaughter.

The after-dinner entertainment for the girls was a fashion show of clothes designed by *Marilyn Brown*, which were modeled by *Maryjane Churchville*.

Boys' entertainment consisted of *Karl Donaghy's* sports show with *Mike "Eagle" Egan* lifting weights, *Ray Bouvier* and *Don Malenfant* high jumping, and *Walter Funaiolo* managing. When these two shows were finished, the comedians, *Bernie Perigny* and *Brian Christian*, as second and third Jackie Gleasons, provided some of the funniest entertainment. *Jim Hamilton* at the piano provided background music for the folk songs sung by *Linda Lizotte* and *Ken Tibbetts*.

Nancy Bedard, the class' only fortune-telling expert, graced our party and told our fortunes by reading our ice cubes by the *Glow (John)* of *Western (John)* Electric light bulbs. She predicts that "Butch" *John Aho* and "Lefty" *John Ford* would be arrested for drumming up business for *Dave Aho*, the undertaker. *Dave Burton* will star in the new moon version of "Cleopatra" with *Linda Wilkinson*. *Ernest Murphy*, with his co-author *Harold Warren* will write the best selling book of the year "*Laventures of Ray*." *Barbara Boyd*, since she has just become a practical nurse, will soon introduce a tablet to *Mike Talbot* and *Judy Taubert* to cure the common cold. *Maureen Callahan* will appear in the latest play called "The Mouse Trap." *Tom Ryan* will teach driver ed. at the moon's new school *Luna-Tic*. *Dan Arsenault* and *Ritva Rantamaki* will soon began lumber operations in the cooperatively owned *Greenwood Forest* of *Sharon Greenough* and *Benny Woodmans*. And you can soon *Boettcher (Linda)* your money on *Pam Kohut's* prize race horse.

At the conclusion of the reunion, *Lucille McKinnon* danced the Irish jig to the tune of *Bob MacLean's* Scottish bagpipes for a picture taken by (*Dave*) *Gage* and (*Bob*) *Hoffman Pictures. Inc.* *Ronnie Winch*, the senior custodian headed the clean-up committee.

"Yeah, it's hamburg."

"11202603"

"You mean that today is Saturday!!"

"I lost my diary in the 'Mouse-trap'."

"Not now, I'm busy!!"

"Arn't you glad we skipped."

"Hold it!"

"Nice Party"

"He's always got to work."

"I was here first."

"My Jag powered"

"It's the Beatles!!"

"I'm handsome, I am."

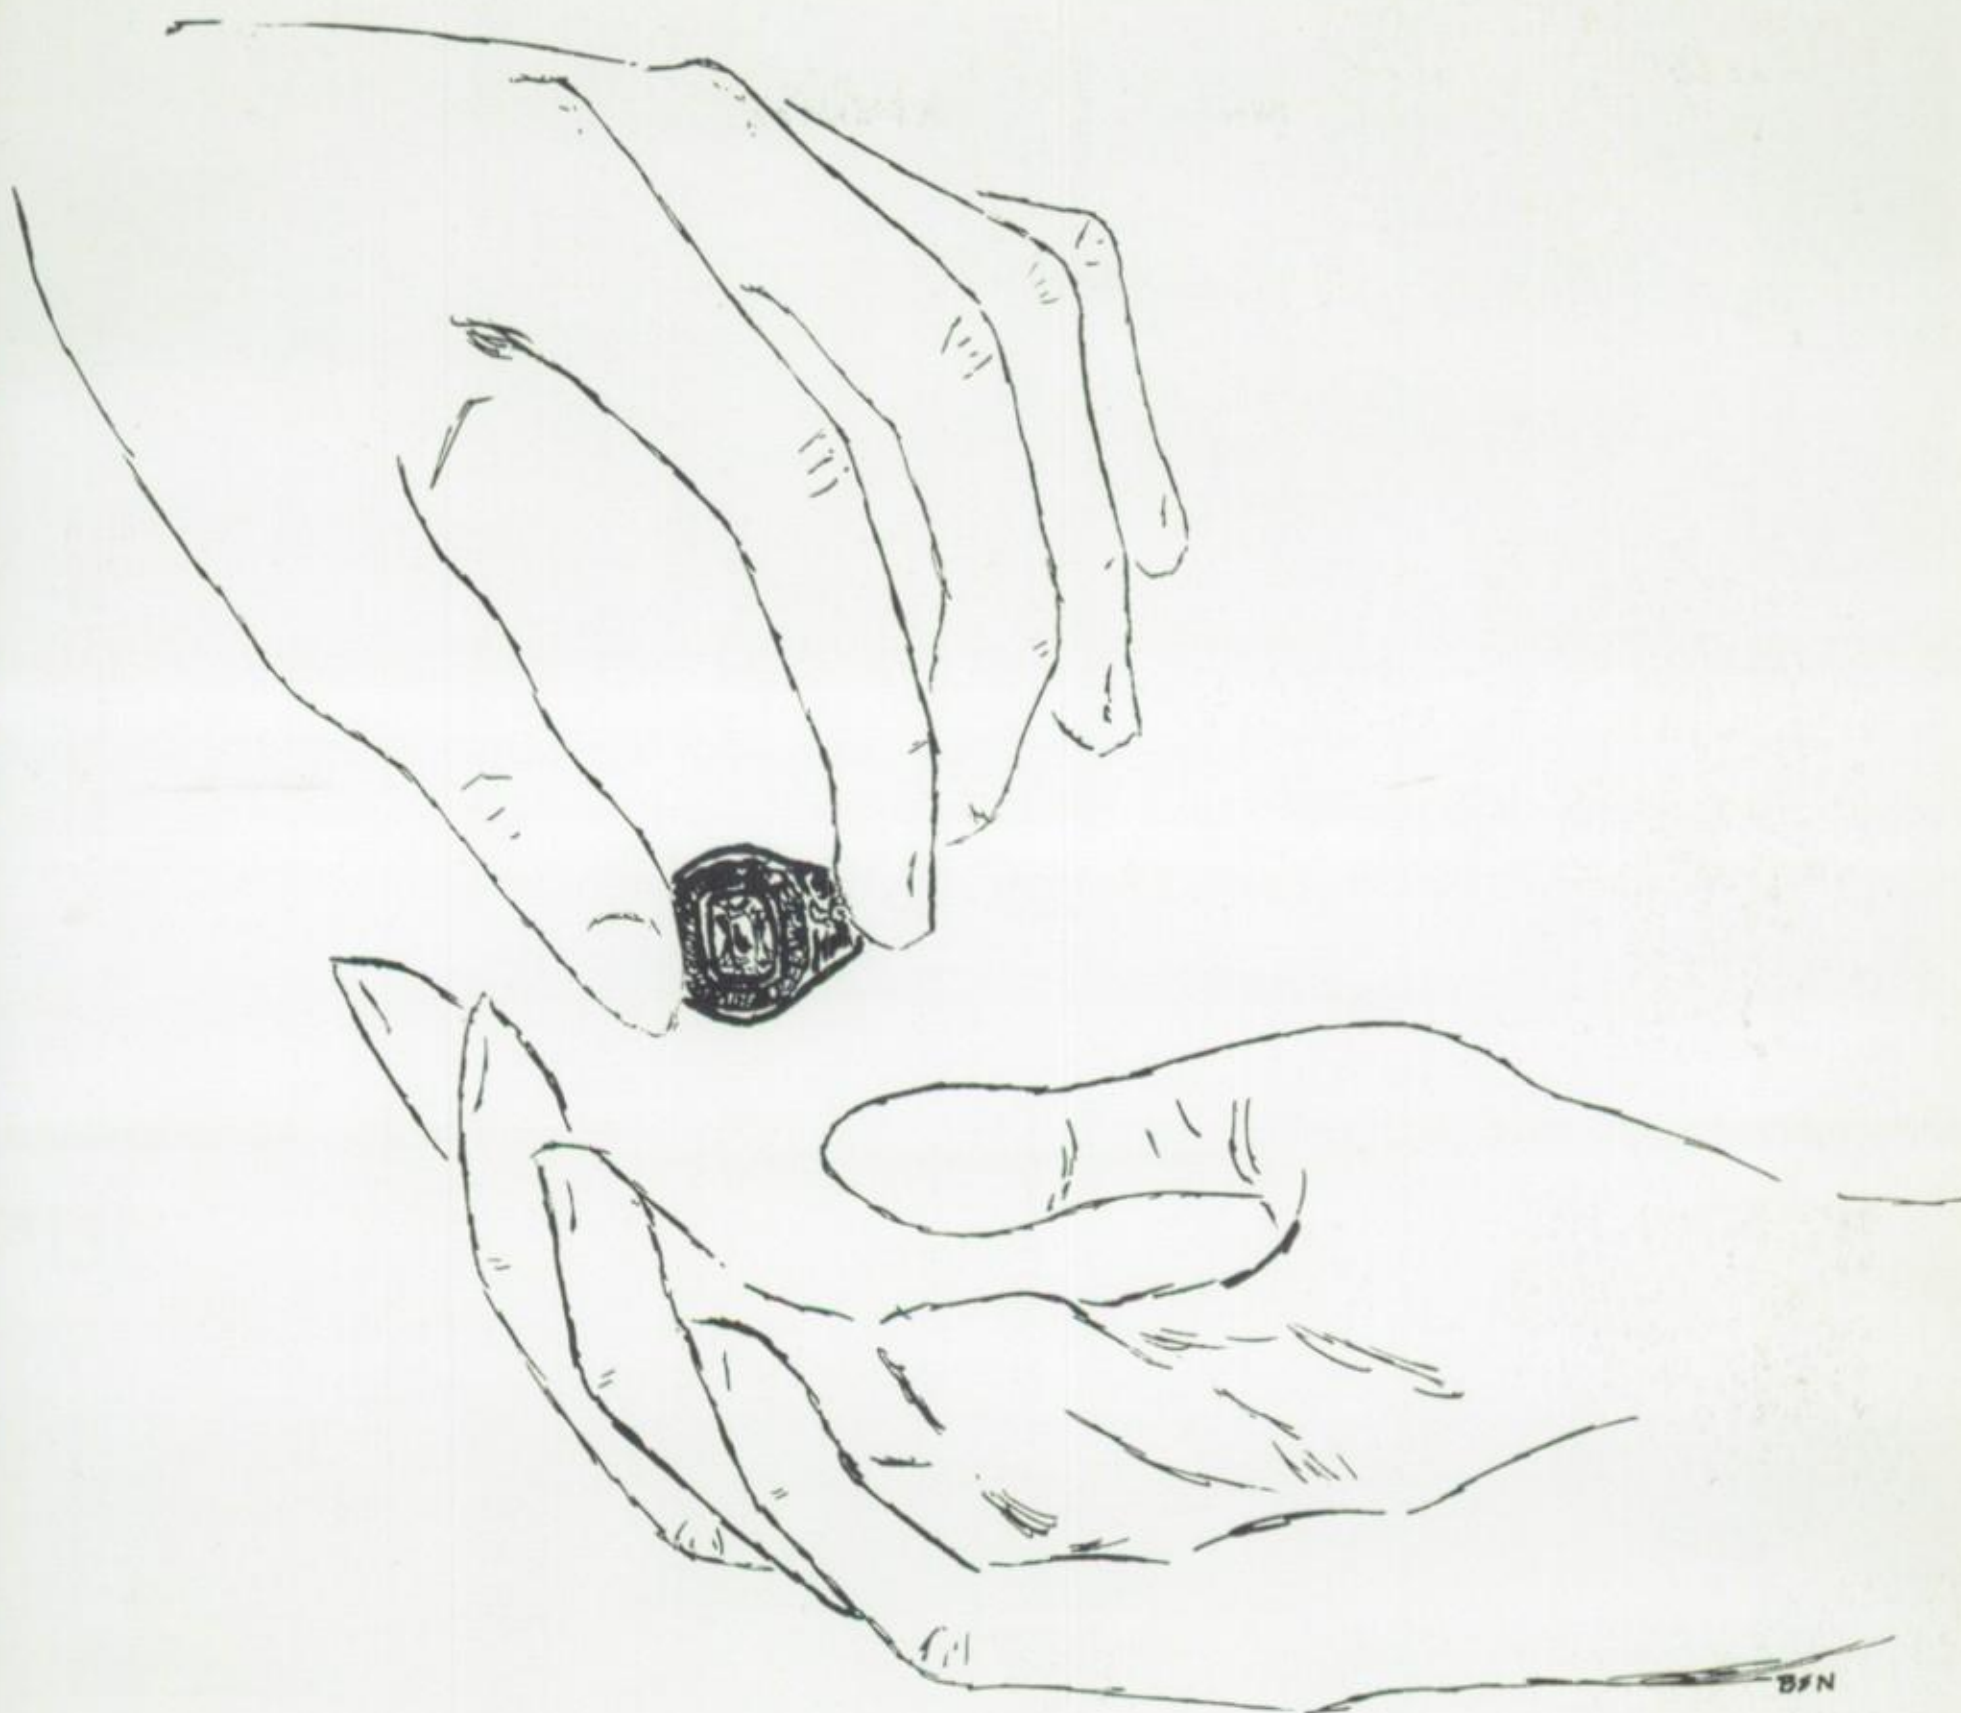

"Cheese"

"Aren't I cute?"

"Do you need money?—See us."

"Looks good! What is it?"

"Age holds experience."

"I know the score."

"I wish it was summer time."

"It wasn't that long ago that I was taking this."
